## ONLINE CLASSES

If you registered for an online class, you may be wondering what is supposed to happen next. Here are some answers to some questions you might have...

### When does the class start?

Online classes at UOG Moodle typically start at the same time as the on-campus classes. If the first day of on-campus classes starts on a Wednesday, then online classes will start on the same day. If you do not see your class when the semester starts, feel free to contact the UOG Moodle Help team (see contact information below).

### How do I get into the class in UOG Moodle?

Classes in UOG Moodle typically require that you enter an enrollment key to access the class. If you have not received your enrollment key by email, you should contact the instructor immediately to ask for the enrollment key. Contact Phone: (671) 735-2620, Email: [moodlehelp@uguam.uog.edu](mailto:moodlehelp@uguam.uog.edu)

### Can I be automatically added into the class in UOG Moodle?

The UOG Moodle Help team is working to make this process easier. At the start of the semester, you can check to see if you have already been added into the online classroom. If you are already in, you do not need an enrollment key. To see the classes that you are in, log in to UOG Moodle... then look in the "Navigation" block and click on "My courses". You will see any courses that you are already in. If you do not see your course, then you may need to contact the instructor to ask for an enrollment key.

## TUITION & FEE PAYMENT

### RESIDENT AND NON-RESIDENT STUDENTS

An applicant is initially classified as a resident or non-resident for tuition purposes at the time of application with the Office of Admissions. The classification, which is certified by the Registrar, is based upon information furnished by the student and from other relevant sources. In compliance with the Residency Policy passed by the Board of Regents on February 1996 and amended on May 1997 and June 17, 2004, students in Non-Resident status are required to pay non-resident tuition.

### The considerations used in determining Residency status are as follows:

- Establishment of a domicile on Guam or in one of the Freely Associated States (the Commonwealth of the Northern Marianas Islands, the Federated States of Micronesia, the Marshall Islands, or the Republic of Palau) as mandated by 17GC16125. (a) for a period of twelve month prior to the beginning of the term for which residency is claimed, or
- Evidence of residency for a period of twelve months or more prior to the beginning of the term for which residency is claimed. Evidence of residency will be shown by a student providing documentation from one of the following<sup>1</sup>:
  - Permanent employment on Guam (verification of employment)
  - Payment of income taxes of Guam (by student, or by parent/guardian if the student is a dependent).
  - Ownership or rental of living quarters on Guam.
  - Continue to use a Guam permanent address on ALL RECORDS (educational, employment, military, financial).
  - Retain your Guam voter's registration.
  - Maintain a Guam driver's license or vehicle registration. If it is necessary to change your license or registration while temporarily residing in another location, the license MUST be changed back to Guam within 10 days of the date of return to Guam, and the vehicle registration must be changed within 20 days of the date of return.
  - Village Mayor's certification of residency.
- Adjustment to Permanent Resident Status  
Students who have filed for an Adjustment to Permanent Resident Status will be eligible for resident rate only if they have resided on Guam for twelve consecutive months prior to applying to the university and have submitted the following supporting documents:
  - Notice of Action for the Adjustment to Permanent Resident Status from the USCIS.
  - Proof of residency (documents to prove living on Guam for the last twelve months prior to applying to the university).

- A Notice of Action denying the student's application for an Adjustment to Permanent Resident Status will render the student ineligible for resident tuition rate.

The burden of proof is upon the student making a claim to resident student's status. The admission of students who knowingly provide false information for the purpose of achieving resident status shall be subject to cancellation and adjusted billing.

### Exemptions to the twelve-month requirement where resident classification may apply<sup>1</sup>:

#### Graduate of a Guam High School

You may be entitled to an exemption from nonresident tuition if you attended high school in Guam for three (3) or more years AND graduated from a Guam high school. You are not eligible for this exemption if you are a nonimmigrant alien.

#### Attended Elementary and Middle School on Guam.

You may be entitled to an exemption from nonresident tuition if you attended both elementary AND middle school on Guam. You are not eligible for this exemption if you are a nonimmigrant alien.

**Active Military Duty.** United States Military personnel and their authorized dependents (as defined by the Armed Services) are exempted from the 12 month residency requirement during the period such personnel are stationed in Guam on active duty.

NOTE: This exception does not apply to employees of other U.S. federal government departments, bureaus, or agencies or their dependents who are assigned or stationed to Guam.

**Legal Place of Residency.** You may be entitled to an exemption from nonresident tuition if you are able to demonstrate to the Registrar that Guam is your legal place of residency and you intend to make Guam your permanent place of residency.

**Permanent Resident.** You may be entitled to an exemption from nonresident tuition if you are able to demonstrate that you permanently reside in Guam, but have been absent for only educational, training, or military reasons.

**<sup>1</sup>Non immigrant aliens, e.g. B,F,H,E Visa holders, are classified as non-residents and are not qualified for resident tuition rates or exemptions.**

If you are classified as a non-resident and wish to be considered for resident reclassification, complete the "Petition for Residency Student Classification" before the semester or term you wish to enroll. Approved changes of status will become effective for the term or semester following the approval; they are not retroactive, and no refunds will be given.

For more information, please contact the Admissions Office at (671)735-2202/14, 2204/06, or [admitme@triton.uog.edu](mailto:admitme@triton.uog.edu).

**Senior Citizen Summer Policy:** Because all summer classes are offered on a self-sustaining basis, there will be no Senior Citizen Tuition Waiver Program for these classes.

3. A student may not take a lower level course after completing a more advanced level course without written permission from the appropriate department/unit.
4. If your academic program does not specifically require MA161A as a major requirement or a prerequisite course, MA110 or MA115 may be used to satisfy your general education requirements.
5. Because it is not possible to describe in this schedule all Admissions and Registration Policies as well as pertinent rules and regulations, students are advised to use the 2017-2018 Undergraduate and Graduate Catalog, as tools, in understanding the rules and regulations which govern the conduct and discipline applicable to students.
6. HONORS COURSES: Check with your Honors advisor or the Director of the Honors Program. Look for courses listed in the schedule with the letter "H" following the course number.

The University of Guam reserves the right to cancel or change the classes listed in this course schedule as circumstances necessitate. The University also reserves the right to change regulations affecting the student body at any time.

New regulations are adopted and implemented as the governing authorities determine the need and are applicable both to prospective and matriculated students.

## FINE'NANA! PROGRAM

### THE FIRST CHOICE IS HIGHER EDUCATION

**"Taking a break. Focusing on work or family. Joining the military. Not right now."** High school graduates sometimes claim these and other reasons for a gap in their education between high school and college.

What many don't realize is that by putting off college, they will be at a disadvantage for employment opportunities today. According to a study by Georgetown University, 65% of the jobs that will be available in 2020 will require a college degree or some college experience.

To provide the best opportunities for our local students to succeed, the University of Guam created the **FINE'NANA! PROGRAM**, which offers **\$1,000** in tuition credit and textbooks for eligible high school graduates.

**To get started, current high school seniors must:**

1. Apply for admission to the University of Guam by March 30, 2018.
2. Fill out the Free Application For Federal Student Aid (FAFSA).
3. Graduate from high school. UOG will provide a conditional acceptance letter before the student graduates.

### FINE'NANA! Offers:

**TUITION CREDIT**
