To CNAS Assessment Committee:

This is a reminder of our meeting tomorrow (8/29/08, 1300 @ ALS Conference rm 202). We basically need to discuss two items:

1. University-wide EER Committee Deadlines;

2. The attached document (summary updates for CNAS Assessment Activities especially the WASC mandated ones).

Details on the above at the meeting.

Sorry for not reminding you earlier, but I've been home sick with the stomach flu and just got back to work this morning.

See you all tomorrow.

Henry
The meeting was called to order at 1:10 pm @ ALS 202.

Members Present:  Dr. Henry J. Taijeron, Chair and recorder, Dr. Prem Singh, Agriculture/CFS; Dr. Alicia Aguon, Mathematics; Dr. Grazyna Badowski, Mathematics; Prof. Han Tower Chen, Mathematics; Dr. Anatole Grishin, Mathematics; Dr. Maria Schefter, UOG NIH-RISE Program Evaluator; Dr. Fenglien Lee, CS/CIS; Dr. Carl Swanson, CS/CIS; Dr. Maika Vuki, Chemistry; and Dr. Frank Camacho, Biology.

1. University-wide EER Committee Deadlines:

   Initial draft report for each of EER’s Subcommittees (Writing, Editing and Review Teams) tentatively due August 1, 2008; Final Draft tentatively due October 1, 2008; Final report due December 1; Subcommittees of EER are:  Academic Quality, Student Success, Land Grant & Engagement, Institutional Efficiency and Effectiveness

2. A template was distributed to members to report AY 2007-2008 updates on degree program assessment activities including the program-level assessment plans that were displayed during the WASC Poster Session when WASC visited UOG in Spring 2007. Each CNAS’s subcommittees (AG/CFS, BIOLOGY, CHEMISTRY, CS/CIS, and MATH) were asked to complete and submit their updates. Concerns were brought up by members that faculties are being asked to continuously the same/similar reports on such activities every year. The following motion was made, seconded and unanimously passed (Prem/Carl):

"The CNAS Assessment Committee recommends that UOG acquire, implement, and set-up for degree program (if needed) TRACDAT or similar at the Institutional Researcher/Assessment Coordination Office.”
I. Approval of Minutes of 8/29/08 Meeting

II. Announcement

A. Meeting with GCC on 10/3/08 (tracdat).

III. Updates on Assessment Activities (For Website)

A. Program-Level Assessment: Assessment Plans (or modified version) displayed at the WASC Poster Session in Spring 2007 (Must be completed by this fall 2008 semester with report on recommendations for program improvement)

B. Course Outlines with defined SLOs: The submitted ones from program faculties and approved by CNAS-AAC and Dean Yudin are now at SVP (if nonsubstantive changes) or at Faculty Senate (if substantive changes)

C. SLOs and CMs

D. ASSESSMENT EXEMPLARS (Submitted to AQ Subcommittee of EER)

IV. Report on October 16-18 UC Irvine Level II Conference (This will involve software like tracdat or similar with possibility of CNAS piloting project)

V. Open Forum

VI. Adjournment
Minutes of October 8/29/08 Meeting approved with the recommended change on the following Committee motion of 8/29/08 meeting:

From: "The CNAS Assessment Committee recommends that UOG acquire, implement, and set-up for degree program (if needed) TRACDAT or similar at the Institutional Researcher/Assessment Coordination Office."

To: The CNAS Assessment Committee recommends that UOG acquire, implement, and set-up, if needed, TRACDAT or similar software at the Institutional Researcher/Assessment Coordination Office.

II. It was announced that the Committee met with GCC on 10/3/08 regarding tracdat. It was also announced that Dean Lee S. Yudin and Ms. Deborah Leon Guerrero, Director of Academic Assessment and Institutional Research, also attended the meeting.

III. Updates on Assessment Activities (For Website) were discussed. The members were informed that the following items will be posted on the CNAS web page:

A. Program-Level Assessment: Assessment Plans (or modified version) displayed at the WASC Poster Session in Spring 2007 (Must be completed by this fall 2008 semester with report on recommendations for program improvement)

B. Course Outlines with defined SLOs: The submitted ones from program faculties and approved by CNAS-AAC and Dean Yudin are now at SVP (if nonsubstantive changes) or at Faculty Senate (if substantive changes)

C. SLOs and CMs

D. ASSESSMENT EXEMPLARS (Submitted to AQ Subcommittee of EER)

IV. It was announced that UOG is now in the process of establishing an “Institution-wide Assessment System.” This is one of the reasons why UOG sent a team to attend the October 16-18 UC Irvine Level II WASC Conference. As a consequence, UOG needs to purchase/lease software such as tracdat or similar. The chair announced that CNAS will possibly pilot such a project (The UOG Team Report was distributed). The chair also announced at the meeting that he will be emailing the “WASC Rubrics” to the members of the Committee.

The meeting was adjourned at about 2 pm.

II. Approval of Minutes of 3/6/09 Meeting

III. Announcements
   A. WASC EER Spring 2009 Exit Report
   B. Update on WASC EER Spring 2009 Visiting Team Initial Report:
      According to Dee LG’s 4/29/09 email (copy attached): The WASC EER visiting
      team's report was given to WASC and UOG (i.e., senior management) last week and
      is under review before release to the campus and island community. The report was
      given to the EER steering committee just today and they will work with the SVP to
      recommend a response to the report which is due to WASC on May 7. At its June
      meeting, which the President and/or SVP will attend, WASC will act on the visiting
      team's report and consider UOG's response.
   C. Update on Assessment Software:
      Had online meeting at 9 am (5/1/09) with Mr. Scott Johnson from tracdat. Chair will
      work with Dean Yudin and Ms. Dee LG to pursue this software and try to have this
      software in place by fall 2009 (Of course this all depends on the availability of
      funds).

IV. Old Business and Continuing Business

IV. Old Business and Continuing Business
   A. CNAS’s Degree Programs Long Term Assessment Plans
      The Chair distributed long-term assessment plans for each of CNAS’s Degree Programs (AG, BIO, CFS, CHEM, CS/CIS, and MATH). The following recommendations were made by the Committee:
      1. Several amendments were suggested by the members regarding the templates. The Chair will make the appropriate suggested amendments on the templates and email the amended versions of the templates to the members.
      2. Maika suggested that the Committee come up with a rubric for critical thinking.
      3. Anatole asked the Chair to email the members the Science GE SLOs that were emailed to us by the University-Wide GE Committee. Chair agreed to do this.

V. New Business (No new business was brought up)

VI. Next Meeting will be at the beginning of Fall 2009

VII. Open Forum:
   A. Chair was asked to find the name of the faculty of the WASC visiting team from the University of Hawaii (Hilo);
   B. The mini workshops on assessment announced by the University Assessment Committee was brought up for discussion. Maika mentioned that these mini workshops are similar to the workshops done by each of CNAS’s degree program faculty during the AY 2007-2008.
   C. Prem recommended that the Chair to check with Dean Yudin about a “CNAS Assessment Development Day” luncheon for the Committee members.

VIII. The meeting was adjourned at 2 pm.
