Cardno is seeking three Archaeological Field Technicians for work in Guam.

Pay rates vary depending on level of experience, but typically will be $15 - $18 an hour based on experience.
Preference will be given to local Guam applicants.

Responsibilities include, but are not limited to:

- Work in the field under the supervision of Crew Chiefs in the performance of archaeological fieldwork
- Conduct archaeological survey, testing, and data recovery
- Document field methods and results using field forms, digital photography, and sketches
- Contribute to team efforts during cultural resources field and lab work
- Take initiative, resolving problems, and creating improved procedures to assure tasks are completed in the most effective manner
- Assist with mapping responsibilities in the field, including collection of GPS data using Trimble units (knowledge of TerraSync is a plus)

Basic Qualifications:

- Bachelor’s degree in Archaeology, Anthropology, or closely related field and at least one archaeological field school experience or at least 36 months of experience in fieldwork (preferably in the Pacific region) in the study of archaeological resources
- Excellent physical fitness, including the ability to excavate test units accurately and quickly

• Cardno is an Equal Opportunity Employer.
