QUESTION & ANSWER SHEET NO.2

February 11, 2026

*In response to the written "Questions" and/or 'Request for Clarifications' UOG received as of February 09, 2026
@ 2:23 pm from vendor: **Docomo Pacific***

Question 1: Could you please advise whether the fiber patch panel specified in the solicitation is required to be wall-mounted unit or a rack-mounted fiber patch panel?

UOG: Wall-mounted.

QUESTION & ANSWER SHEET NO.3

February 11, 2026

In response to the written "Questions" and/or 'Request for Clarifications' UOG received as of February 09, 2026 @ 4:50 pm from vendor: Pacific Data Systems

Question 1: Please provide the anticipated timeline for completion of the project, including any key milestones or deadlines.

UOG: UOG looks to have the installation completed in April 17, 2026.

Question 2: Kindly confirm if there are any country-of-origin requirements or restrictions for the materials to be supplied for this project.

UOG requires Fiber Optic products be BABA compliant or TAA compliant.

Question 3: Please confirm that the University of Guam will be responsible for securing all permits required to perform the scope of work.

UOG is NOT responsible for securing all permits required to perform the scope of work. UOG requires a turn-key solution to install Fiber Optic OS2 cabling. UOG will be available for any permits that require UOG approvals.
