UOG requires installers to complete the conduit installation for the School of Health Annex.

- It is approximately an 8ft to 10ft run.
- Section XX — Fiber Optic Conduit Installation (Completion of Unfinished Run)  
Provide all labor, materials, equipment, permits, and incidentals to complete an unfinished fiber-optic conduit run of approximately 8–10 linear feet from the interior space (above the drop ceiling) to the building exterior by drilling through the wall and routing conduit to the designated exterior termination point. Work includes coring/drilling, conduit, fittings, weatherproofing, bushings, pull string, labeling, firestopping, sealing, patch/paint (as required), and as-built documentation.
