Mailing Address: 303 University Drive UOG Station Mangilao, Guam 96913

The University of Guam is a U.S. Land Grant Institution accredited by the Western Association of Schools and Colleges Senior College and University Commission and is an equal opportunity provider and employer.

SITE VISIT INFORMATION

To reduce duplication of site visits and minimize disruption to University operations, the University has consolidated the Non-Mandatory Pre-Bid Site Visits for the above-referenced solicitations, as the projects involve the same facilities.

PERSONAL PROTECTIVE EQUIPMENT (PPE) REQUIREMENT

All attendees are required to bring and wear appropriate Personal Protective Equipment (PPE), including but not limited to:

- Hard hat
- Safety vest
- Closed-toe shoes/boots (steel-toe recommended)

Attendees who do not have proper PPE and appropriate attire will not be permitted to enter the buildings.

- Bidders are responsible for ensuring their representatives comply with all safety requirements.
- Bidders are responsible for reviewing all three solicitations and ensuring that they understand the full scope of work for each project. Attendance at the site visit does not relieve the Offeror/Bidder of the responsibility to comply with the specific requirements of each individual solicitation.

All other terms and conditions remain the same.

SITE VISIT LIABILITY ACKNOWLEDGEMENT AND WAIVER

The Vendor acknowledges that participation in the site visit at University of Guam facilities may involve inherent risks, including but not limited to climbing ladders, accessing elevated cable racks, entering mechanical or electrical rooms, working near live utilities, and navigating active campus facilities.

The Vendor agrees and acknowledges the following:

1. Participation in the site visit is voluntary and conducted at the Vendor's own discretion.
2. The Vendor is solely responsible for the safety, supervision, and conduct of its employees, agents, and representatives during the site visit.
3. Vendor personnel participating in the site visit are physically capable and properly trained to be in construction sites.
4. The University of Guam shall not provide ladders, tools, or safety equipment for vendor use.
5. The University of Guam shall not be responsible for any injury, illness, loss, or damage sustained by Vendor personnel during the site visit, except to the extent caused by the sole negligence of the University.
6. The Vendor represents and warrants that it maintains adequate insurance coverage, including workers' compensation and general liability insurance, for its employees and representatives.

The Vendor knowingly assumes all risks associated with participation in the site visit and hereby releases, waives, and discharges the University of Guam, its officers, employees, and agents from any and all claims arising out of or related to the site visit.
