| 1. Implement a formal student outcome assessment strategy by identifying program learning goals (including measurement tools) for the BSCJ Degree Program.  |        | X  |     | Learning goals and measurement tools developed by program faculty and subsequently approved by the SBPA academic Affairs Committee for adoption. Program faculty are in the process of updating course outlines throughout summer for implementation in Fall 2008. | NAF                     | Fully funded for Summer 08                                     |
| 2. Re-examine the Paralegal Program to determine the reasons for the low number of minors and undertake appropriate remedial measures. For example, revamping the program curriculum, phasing out the program, or re-aligning instructional emphasis with courses directly related to line operations, such as homeland security, emergency responders, and forensics, among others. The ultimate objective is to ensure the most efficient and effective use of resources. |        | X  |     | Program faculty will be addressing this issue during the Fall 2008 semester.   | To be determined later. | To be determined later.  |
| 3. Program faculty plan for the acquisition of an additional FTE based on the anticipated military build-up and the prospect of a significant increase in student enrollment, as well as the possibility of expanded instructional emphasis on criminal justice line operations.  |        | X  |     | SBPA included new FTE request in FY2009 UOG Budget for Legal Studies/Criminal Justice faculty position.  | OP 08                   | Requested for FY09   |
