As part of the Veterans Benefits and Transition Act of 2018, section 3679(e) of title 38, United States Code was amended, and educational institutions are required to comply to continue participation in the GI Bill Program.

To meet the requirements of law, the following policy is proposed.

**Course Protection Guarantee under the Veteran Benefits & Transition Act of 2018**

Effective fanuchānan 2019, University of Guam will allow Veterans under Chapter 33, Chapter 31, and dependents under Chapter 33TOE upon meeting matriculation requirements to remain registered in their courses without being dropped due to unpaid tuition and fees. In order to receive this benefit, students must request to use their benefits by filling out the Certification Request Form and provide a copy of their Certificate of Eligibility or approval Form 28-1905 for Chapter 31 Vocational Rehabilitation students. The certification forms are available at the Financial Aid Office in the University of Guam Calvo fieldhouse.

It will be the student’s responsibility to pay the school any remaining balance should the student register in courses that are not on his or her approved education plan, or if the student is not entitled to 100% of his or her GI Bill benefits. Students will also have the option to have any outstanding balance deducted from their Financial Aid, if available.
