

DUAL ENROLLMENT PROGRAM

CHECKLIST REQUIREMENTS

Dual Enrollment Program is an agreement between the Guam Department of Education (GDOE) and the University of Guam (UOG) to be provided to the Guam Public High Schools, relative to preparing Guam Department of Education students to better meet the requirements for college success. The University of Guam is committed to provide college level courses to Guam high school students while they are still enrolled in their high school program.

ARTICULATION OF COURSES			
Guam Department of Education		University of Guam	
LA410 DEU	AP Literature & Composition	EN210 or	Introduction to Literature
		EN111	Writing for Research
LA411 DEU	AP Language & Composition	EN110	Freshman Composition
MA203H DEU	Algebra 2 Honor	MA110 or	Basic Mathematical Application
		MA115	Introductory College Algebra
MA405H DEU	Pre-Calculus Honors	MA161a-b or	College Algebra & Trigonometry
		MA165	Pre-Calculus
MA302H DEU	Probability & Statistics Honors	MA51	Introductory Statistics
MA412 DEU	**AP Statistics	MA385	Applied Statistics
Notes: 1. Only English & Math courses identified in this Course Articulation or any other higher-level courses in English and Math will be given a weighted grade when transferred. 2. Students shall complete the Dual Enrollment application and get prior approval from the Principal to ensure no duplication of courses already completed at DOE. 3. Students Shall NOT opt out of transferring the grade received from the completed Dual Enrollment college course. 4. Letter grades received from UOG will be converted to the corresponding percentage grade per Board Policy 350. 5. Students shall receive .5 credits for successfully completing MA161a and .5 credits for MA161b or 1 full credit for completing MA165. 6. *Although it was noted by AP Teachers that ANOVA is not covered in AP Statistics (MA412) but is covered in Applied Statistics (MA385), students shall receive DOE AP Statistics credit towards fulfilling the Math graduation requirement upon successful completion of MA385.			

Dual Enrollment Eligibility:

To be eligible for the Dual Enrollment Program, the student must:

- be a junior or senior standing with 3.0 GPA;
 - Submit a transcript reflecting a minimum 3.000 GPA
 - complete Dual Enrollment consent form;
 - submit a counselor/principal recommendation – to include students' eligibility and GPA;
 - must take the English Preparedness Test* (EPT) **AND** the Math Placement Test* (MPT).
- All students will default into EN110 (*effective Summer 2020*); and **MUST** place in MA110 or higher;

**All students are required to take the EPT and MPT; and pay testing fees as follows: EPT - \$10 and MPT - Test \$25.*

If students placed below MA110, student may continue under the Advanced High School Program and pay the remaining application fee difference of \$32.00. The \$20.00 application fee only applies to Dual Enrollment Program.

How to apply:

There are published deadlines to submit your applications for each specific semester. Applications are available at your respective high school counselor's office and there is a non-refundable fee of \$20. Payment can be made at UOG's Cashier on campus or called-in at 735-2923/45/46 with your debit/credit card information. For payment inquiries, contact Bursar at bursar@triton.uog.edu

Application checklist:

- | | |
|---|--|
| ☐ Are you within two years of graduation at a GDOE high school? | ☐ Did you take the Math Placement Tests and place in MA110 or higher? |
| ☐ Do you have a cumulative GPA of 3.00 indicated on your preliminary transcript? | ☐ Did you submit your most recent class schedule?
<small>Not required if you are registering for classes in Summer Session</small> |
| ☐ Do you have your school counselor/principal's recommendation letter? | |
| ☐ Did you complete the Dual Enrollment Consent Form? | |
| ☐ Did you take the English Preparedness Tests and place in EN110 or higher? | |

Once ALL requirements are in, it will be reviewed for Dual Enrollment eligibility. Application status can be directed to the following:

IMPORTANT: All students are responsible for payment of 100% of tuition and fees (Registration, lab fees etc.) and cost of books.
