Office of Economic Adjustment  
 Finding of No Significant Impact  
 For  
 Guam Cultural Repository Project  
 GUAM

The Department of Defense Office of Economic Adjustment (OEA) has determined that the above-referenced construction project will have no significant impact on the human environment. This Finding of No Significant Impact is based on the following attached document.

- University Of Guam Cultural Repository Facility Final Environmental Assessment dated July 13, 2020 (and related attachments). (File name: 2020-07-13 UOG Cultural Repository NEPA EA.pdf)

This document has been independently evaluated by OEA and determined to adequately and accurately discuss the purpose and need, environmental issues, and potential effects of the proposed Guam Cultural Repository project on Guam. This document is hereby adopted by OEA. Considering the significance criteria in 40 CFR § 1508.27, I have determined that the information provided in the above-referenced document provides sufficient evidence and analysis for determining that an Environmental Impact Statement is not required.
