THE UNIVERSITY OF GUAM SOLICITS APPLICATIONS TO ESTABLISH A LIST OF ELIGIBLES FOR THE FOLLOWING POSITION (TENURE/NON-TENURE TRACK APPOINTMENT, FULL/PART-TIME, SUBJECT TO THE AVAILABILITY OF FUNDS):

#021-22 ASSISTANT PROFESSOR TO ASSOCIATE PROFESSOR (GEOLOGY)

Location:	Academic and Student Affairs/Water & Environmental Research Institute (WERI)				
University Information:	<p>The University of Guam is the premier institution of higher education in the Western Pacific. It is a land-grant institution, accredited by the Western Association of Schools and Colleges Senior Commission. Located in the village of Mangilao on the island of Guam, the campus overlooks beautiful Pago Bay and the University's world-class Marine Biology Lab. The University has approximately 3,900 students, 90% of Asian or Pacific Islander ancestry, providing a uniquely diverse campus and multicultural atmosphere. As a regional, comprehensive, open admissions institution, the university awards degrees at the baccalaureate and master's levels through its two colleges and four professional schools. Over the next five years, the University will be entering an exciting period of growth linked to anticipated increases in military investments and resultant economic expansion in Guam. Three major University initiatives have been developed to maximize academic and community opportunities during this period: "UOG, the Natural Choice" to encourage local students to aspire to attend college and to choose the University of Guam; "UOG Green" with renewable energy and sustainability central to the initiative; and "UOG Leading Change" on Guam and in Micronesia. Extramural funding from competitive Federal sources as well as contracts is rapidly expanding. Such opportunities along with a critical mass of dedicated and capable administration, faculty, students, and staff make the University of Guam an exciting place to be for many years to come. Information on the University's campus security and fire safety may be accessed at http://www.uog.edu/hro (Under Links).</p>				
General Description:	<p>The University of Guam is looking for an individual who is interested in new challenges and opportunities for professional and personal growth. This position calls for someone who is self-motivated and adaptable, intelligent, possesses a global vision and who is interested in working in a dynamic, multi-cultural institution.</p> <p>The University of Guam has an active Press dedicated to publishing research and writing about Guam and Micronesia. A variety of publishing opportunities are available to UOG faculty, employees, students and members of the communities we serve through the University of Guam Press.</p>				
Unit Description:	WERI was established in 1975 as one of the nation's 54 National Institutes for Water Resources Research. Its mission is to conduct water resources research, professional training, and public outreach for Guam, the Federated States of Micronesia (FSM), and the Commonwealth of the Northern Mariana Islands (CNMI). Accordingly, its faculty support the university's graduate Environmental Science program and provide training for professional and technical staff in local and regional government agencies and private firms. WERI faculty collaborate with external university researchers and with University of Guam faculty in other units, including its new School of Engineering. The institute has seven faculty, with a broad span of expertise in earth science and water resources engineering, and is equipped with a Water Quality Analysis Laboratory and a state-of-the-art Geographic Information System Laboratory.				
Character of Duties:	<p>WERI seeks a geologist familiar with or prepared to master the regional and local geology of Guam, FSM, and the CNMI.
