

The University of Guam does not discriminate on the basis of sex, race, color, religion, national or ethnic origin, disability unrelated to job requirements, age (except as permitted by law), citizenship status, marital status, or political affiliation. Furthermore, the University of Guam does not discriminate on the basis of sex in the admission to or employment in its education programs or activities.

ANNOUNCEMENT

May 14, 2025

THE UNIVERSITY OF GUAM SOLICITS APPLICATIONS TO ESTABLISH A LIST OF ELIGIBLES FOR THE FOLLOWING POSITION (TENURE/NON-TENURE TRACK APPOINTMENT, FULL-TIME, SUBJECT TO THE AVAILABILITY OF FUNDS):

#065-25 INSTRUCTOR TO ASSOCIATE PROFESSOR (OBSTETRIC MATERNAL-CHILD HEALTH/COMMUNITY HEALTH)

Location:	Margaret Perez Hattori Uchima School of Health
University Information:	<p>The University of Guam is the premier institution of higher education in the Western Pacific. It is a land-grant, a sea-grant, and a space-grant institution, accredited by the Western Association of Schools and Colleges Senior Commission. Located in the village of Mangilao on the island of Guam, the campus overlooks the beautiful Pago Bay and the University’s world-class Marine Laboratory and Water and Environmental Research Institute of the Western Pacific. The University has 3,400 students, 47% of Asian ethnicity and 45% of Pacific Islander ancestry, providing a uniquely diverse campus and multicultural atmosphere. As a regional, comprehensive, open-admissions institution, the University awards degrees at the certificate, baccalaureate, and master’s levels through its two colleges and four professional schools. The institution’s mission of Ina (to Enlighten), Diskubre (to Discover), Setbe (to Service) serve as the foundation for the institution’s Tulos Mo’na strategic plan, with its vision to transform lives and advance communities as a land-grant, a sea-grant, and a space-grant university. One of the university’s key strategic initiatives is to be recognized as a research university centered in Island Wisdom. Island Wisdom acknowledges that Pacific ways of knowing and Western models of higher education are central to the institution’s teaching, research, and service endeavors, and that balanced consideration of the ideas that emerge from them is essential to the prosperity and sustainability of island communities. Through its robust research portfolio fueled by extramural funding from competitive grants and contracts, the University delivers public value through dedicated and capable administration, faculty, students, and staff. As a complement to the research carried out at the institution, the University of Guam has an active press dedicated to publishing research and writing about Guam and Micronesia. A variety of publishing opportunities are available to UOG faculty, employees, students, and members of the communities we serve through the University of Guam Press. UOG is a safe and secure campus, where the institution places paramount importance on the physical, intellectual, emotion, and spiritual wellbeing of its students and employees. It fosters open dialogue and collegiality based upon mutual respect for diverse perspectives. The university has enacted processes to ensure the physical safety of the campus (most recent information may be accessed at https://www.uog.edu/safety-security/) and a policy that encourages open dialogue and respect for all points of view. Community responsive academic programs, robust research agenda, ample publishing opportunities, and commitment to community make the University of Guam an exciting place to be for many years to come.</p>
General Description:	<p>The University of Guam is looking for an individual who is interested in new challenges and opportunities for professional and personal growth. This position calls for someone who is self-motivated and adaptable, intelligent, possesses a global vision and who is interested in working in a dynamic, multicultural institution.</p>
Unit Description:	<p>The Margaret Perez Hattori Uchima School of Health is one of the fastest growing schools in the University of Guam. It offers three (3) undergraduate degree programs: Bachelor of Science in Nursing (BSN), Bachelor of Science with concentrations in Exercise Science and Health Promotion, Pre-Physical Therapy, and Public Health, and a Bachelor of Social Work. The nursing program allows students to exit and take the nursing assistant certification test and the licensed practical nursing examination. The BSN program is accredited by the Accreditation Commission for Education in Nursing (ACEN).</p>
Character of Duties:	<p>The selected candidate will teach undergraduate theory and practicum courses in maternal-child health nursing/community health and will teach other nursing courses based on program needs and candidate’s experience, including caregiver and/or certified nursing assistant (CNA). Responsibilities will also include advising undergraduate nursing majors, coordinating clinical experiences, working collaboratively with other schools and colleges to integrate education technology into coursework, and providing services to the division, the school, the University, the community, and the profession. The candidate must be prepared to teach using a variety of modalities, including distance education.</p>
Qualifications:	<p>Minimum: For the rank of Assistant/Associate Professor, the following requirements must be met: An earned doctorate from a U.S. regionally accredited institution or foreign equivalent in Nursing, Education, or a health-related field and an earned Master’s degree in Nursing from a U.S. regionally accredited institution or foreign equivalent. The applicant must also have at least four (4) years of acute care inpatient clinical practice experience in maternal-child (obstetrics) nursing of which two (2) years must be within the past (5) years. Registered Nurse (RN) with a current Guam license is required upon hire. Must be willing to teach online.</p> <p>For the rank of Instructor, the following requirements must be met: An earned Master’s degree in Nursing from a U.S. regionally accredited institution or foreign equivalent is required. The applicant must also have at least four (4) years of inpatient clinical practice experience in maternal-child (obstetrics) of which two (2) years must be within the past (5) years. RN with a current Guam license is required upon hire. Must be willing to teach online.</p> <p>Preferred: Three (3) years of teaching in an RN program or equivalent at the post-secondary level within the past five (5) years. An earned doctorate from a U.S. regionally accredited institution or foreign equivalent in Nursing, Education, or a health-related field and to those applicants with varied work and in patient clinical practice experience; prior experience in community health, curriculum development and evaluation. An interest and experience in contributing</p>
