#097-23 EXTENSION AGENT II TO EXTENSION AGENT III
(4-H & YOUTH PROGRAMS)

**Location:**
College of Natural and Applied Sciences/Cooperative Extension & Outreach

**University Information:**
The University of Guam is the premier institution of higher education in the Western Pacific. It is a land-grant, a sea-grant, and a space-grant institution, accredited by the Western Association of Schools and Colleges Senior Commission. The University has 3,400 students, 47% of Asian ethnicity and 45% of Pacific Islander ancestry, providing a uniquely diverse campus and multicultural atmosphere. As a regional, comprehensive, open-admissions institution, the University awards degrees at the certificate, baccalaureate, and master's levels through its two colleges and four professional schools. The institution's mission of I-a (to Enlighten), Diksulub (to Discover), Serbe (to Service) serve as the foundation for the institution's Para 'Hula' strategic plan, with its vision to transform lives and advance communities as a land-grant, a sea-grant, and a space-grant university. One of the university's key strategic initiatives is to be recognized as a research university centered in Island Wisdom. Island Wisdom acknowledges that Pacific ways of knowing and Western models of higher education are central to the institution's teaching, research, and service endeavors, and that balanced consideration of the ideas that emerge from them is essential to the prosperity and sustainability of island communities. Through its robust research portfolio funded by extramural funding from competitive grants and contracts, the University delivers public value through dedicated and capable administration, faculty, students, and staff. As a complement to the research carried out at the institution, the University of Guam has an active press dedicated to publishing research and writing about Guam and Micronesia. A variety of publishing opportunities are available to UOG faculty, employees, students, and members of the communities we serve through the University of Guam Press. UOG is a safe and secure campus, where the institution places paramount importance on the physical, intellectual, emotional, and spiritual wellbeing of its students and employees. It fosters open dialogue and collegiality based upon mutual respect for diverse perspectives. The university has enacted processes to ensure the physical safety of the campus (most recent information may be accessed at https://www.uog.edu/life-at-uog/safety-security) and a policy that encourages open dialogue and respect for all points of view. Community responsive academic programs, robust research agendas, ample publishing opportunities, and commitment to community make the University of Guam an exciting place to be for many years to come.

**General Description:**
The University of Guam is looking for an individual who is interested in new challenges and opportunities for professional and personal growth. This position calls for someone who is self-motivated and adaptable, intelligent, possesses a global vision and who is interested in working in a dynamic, multicultural institution.

**Unit Description:**
The Dean of the College of Natural and Applied Sciences (CNAS) serves as the Director of the Cooperative Extension & Outreach (CE&O) and the Western Pacific Tropical Research Center (WPTRC). Within the CE&O, there are four (4) program areas including (1) Family & Consumer Sciences, (2) 4-H, (3) Community Development, and (4) Agriculture and Natural Resources (ANR). CE&O houses one (1) 4-H faculty (the advertised position), two (2) Community Development faculty, two (2) Nutrition faculty, one (1) Food Scientist, one (1) family & consumer sciences faculty, and four (4) ANR faculty as well as several Extension associates and assistants. University of Guam/Cooperative Extension & Outreach enables the multicultural community of Guam to make informed decisions through non-formal education programs based on research and (identified) local needs.

**Character of Duties:**
This position is a 12-month tenure track Extension faculty position in 4-H & Youth Development. The successful candidate will have as her/his primary role "Extension and Community Outreach" and will be expected to plan, organize, implement, and evaluate non-formal AREERA-aligned Extension programs for 4-H in Guam and the Western Pacific region; supervise 4-H unit staff and collaborate with community partners. Additional extension roles include working with and coordinating extension programs that are in accordance with the National Institute of Food and Agriculture (NIFA) Reporting System (NRS) approved plan of work for Guam with a focus on youth, STEM, health, and life skills. The successful candidate must also be willing to support the teaching and research efforts of the College of Natural and Applied Sciences (CNAS). As a tenure track faculty, the successful candidate must meet the tenure requirements to develop a portfolio of accomplishments that reflect a minimum of 25% Creative Scholarly Activities or Research and 15% University and Community Service as well as a minimum of 60% within the primary endeavor (Extension and Community Outreach) during the first five years of the tenure track appointment.

The Extension Agent works as a member of the University of Guam Cooperative Extension Service team and as a representative of the University of Guam. The successful candidate will work in CE&O, providing leadership support for the UOG 4-H unit, working across the various Extension Plan of Work areas.

The successful candidate is expected to develop and enhance an effective and relevant 4-H educational youth development program that supports the growth and development of life skills among both youth and adult audiences; provide programmatic leadership and support for 4-H Club programs throughout the island; Prepare volunteers to take on increasing leadership roles in the community and within Extension; Provide leadership and support for school enrichment and outreach programs for youth in areas of expertise; youth leadership, health/wellness, and STEAM topics; Implement evidence-based/develop educational programs that are relevant to the diverse multicultural demographics and that address the needs of the youth and their families; Conduct workshops, organize 4-H clubs in the school system and community; Recruit and supervise volunteers; Develop formal and non-formal publications; Develop, implement, and evaluate programs aligned with USDA-approved plans of work; Teach a college level course in her/his area of discipline at least one semester per academic year and is expected to participate in University and College committees as well as
