

APPLICATION DEADLINE: May 31, 2021

***Pacific Island Partnership for Cancer Health Equity
Graduate Research Fellowship in Cancer Disparities
Fall 2021 Semester***

The University of Guam Cancer Center announces the availability of graduate research fellowships in cancer disparities research. Current masters students at the University of Guam are invited to apply for a graduate assistantship and research assistant positions made available by the Pacific Island Partnership for Cancer Health Equity (PIPCHÉ). This is a cancer research, training and outreach program in partnership with the University of Hawaii, funded by the National Cancer Institute's Center to Reduce Cancer Health Disparities. Previously awarded fellows will be considered pending the availability of funds. Initial appointment is for one semester but extensions are possible for up to two years in total with satisfactory performance. Funding is up to \$3000 per semester, per student, for a tuition waiver. UP to an additional \$6000 per semester is available for students who wish to work as Research Assistants on a U54 PIPCHÉ Research Project. Students may apply for one or both forms of funding. Students are encouraged to apply for both. Funding is subject to annual budgetary limitations.

ELIGIBILITY REQUIREMENTS:

- ✓ U.S. citizen, U.S. National, permanent U.S. resident, or citizen of one of three U.S. Compact Nations (FSM, RMI, ROP).
- ✓ Admitted to a relevant master's program at the University of Guam.
- ✓ Suitable mentor who is a University of Guam faculty member with experience in cancer research or relevant field.
- ✓ Interest and/or thesis topic related to cancer health disparities in the Pacific.
- ✓ Students of Pacific Island ancestry and/or students with significant experience in the Pacific region will be granted priority.

STUDENT REQUIREMENTS FOR TUITION WAIVER:

Students who are accepted into the program, are expected to enroll in the Cancer and Health Disparities Seminar each semester of their support and work with the Community Outreach Core for at least 15 hours of Community Outreach each semester.

STUDENT REQUIREMENTS FOR RESEARCH ASSISTANT:

Students who are accepted into the program as Research Assistants will be required to work up to 20 hours per week (students are paid for the hours they work), during the school year, on a U-54 research project. They are also expected to take part in the annual PIPCHÉ PSC Meeting (Spring) and PIPCHÉ Scientific Workshop (Fall). Students are also encouraged to attend various lectures and presentations throughout the year, as announced. Students are encouraged to also complete the Cancer and Health Disparities Seminar modules for which they will receive a certificate of completion.

APPLICATION DEADLINE: May 31, 2021

SUBMISSION INSTRUCTIONS:

To apply:

1. Submit by email your completed application; curriculum vitae; statement of research interests and career goals; proposed research plan, if applicable; a brief description of mentor's research; to aborja@triton.uog.edu or tames@triton.uog.edu .

FOR MORE INFORMATION:

For more information about the PIPCHE's graduate research fellowship program at the UOG Cancer Center, please contact, Alicia Borja, PIPCHE Program Manager at aborja@triton.uog.edu or Dr. Todd Ames, Leader of the Research Education Core at tames@triton.uog.edu
