

Are you a CHamoru or Filipino breast cancer survivor?

IF YES,

YOU ARE INVITED TO PARTICIPATE IN A RESEARCH STUDY

Purpose: Identify community-driven strategies to address diet/lifestyle behaviors that can help reduce breast cancer recurrence among CHamoru and Filipino women in Guam.

- **Focus group (90-120 minutes)**
- **Study volunteers will be compensated for their time.**
- **A summary of the final research findings will be shared with participants**
