KNOW YOUR WAY AROUND CAMPUS

Familiarize yourself with the buildings and walkways you will be using often. In the event you need to get away from danger, knowing the safest routes – paths that are well-lit and have other people around or close by – will be an asset.

PROTECT YOUR VALUABLES

Unlocked doors and windows are favorite targets for theft. Don't leave valuable items unattended or in plain view in your vehicles or dorm rooms.

TAKE PRECAUTIONS AFTER DARK

Whenever you are out at night, you are exposing yourself to increased risk. Consider walking with a friend or a group. Also inform others where you are going and when you expect to return. Try to park where there is lighting.

KNOW YOUR EXITS

Always know at least two ways out of every room in case you need to evacuate from danger or shelter in place.

LISTEN TO YOUR GUT

If something just doesn't feel right, follow your instincts! Stay vigilant, and report any suspicious activity to UOG Campus Security.

BE PREPARED FOR AN ACTIVE ARMED INDIVIDUAL

Active armed attacker incidents are often immediate and unpredictable and evolve quickly. But amid the chaos, anyone can play an integral role in mitigating the impacts of an incident. Prepare yourself to respond to an incident by reviewing these Shooter/Sniper/Violent Armed Individual tips from the UOG Safety & Security Office.
