

Agriculture PROGRAM

Program Description

Students will be able to study and explore the different areas of Guam's agricultural landscape. They will be able to perform real-life operations at the University of Guam Triton Farm as well as tour other major farms in Guam. They can learn of the different activities in the classroom through lectures and lab exercises.

Classroom Instruction
and Lab Work

Hike to Different Parts
of Guam

Hands-on Operations
at the UOG Triton
Farm

And so much more!
