**OTHER NOTES:**

1. These specifications have been written to describe minimum equipment and performance requirements to be supplied by the equipment manufacturer bidding. Reasonable tests may be conducted upon delivery before acceptance.
2. The successful bidder shall furnish all necessary and desirable information and instruction for the proper operation of the equipment.
3. The University reserves the right to accept and/or reject any and all bids, to waive any defects, irregularities, or specification discrepancies and to award the bid deemed to be in the best interest of the University.
4. Bidder shall identify on their bids any deviations from requirement on remarks column and state item being offered for evaluation processing. Failure to comply may result in rejection of bid.
5. Certificate of Origin is required to be provided to the University at the time of delivery of the vehicle.
6. Manufacturer’s brochure (original) shall be submitted and attached on bid proposal.
7. Vehicle must complete a Guam Safety Inspection and the certificate must be provided at time of vehicle delivery.
8. Vehicle must be inspected and pass inspection by authorized safety inspection station.
9. Dealer must have vehicle inspected, registered and licensed before official release to the buyer, University of Guam.
10. For registration purposes all government vehicles must be delivered to Department of Public Works (DPW). DPW will register all vehicles on behalf of the University of Guam.
