**QUESTION & ANSWER SHEET NO.3**

**January 25, 2025**

*In response to the written "Questions" and/or 'Request for Clarifications' UOG received as of January 23, 2025 @ 8:53 pm from vendor: GENSET POWER*

**Question 1: Please advise if UOG is requiring fuel upon delivery of the units specified as "mobile".**

**Answer: UOG: We just need at least 10 gallons of fuel upon delivery to test the units.**

**Question 2: Are there any other documents that must accompany the BID Packet upon submission.**

**Answer: UOG: At this time, there are no other documents needed.**

**Question 3: Amendment 2, section 1.3, specifies "vendor must have a C13 Contractor's License." Genset Power has a contractor holding a C13 Contractor's License who conducts all Genset Power's electrical work for ATS installations. Please advise if this fulfills the BID requirement.**

**Answer: UOG: Yes, this will fulfill bid requirements.**
