To reduce duplication of site visits and minimize disruption to University operations, the University has consolidated the Non-Mandatory Pre-Bid Site Visits for the above-referenced solicitations, as the projects involve the same facilities.

All attendees were advised that appropriate Personal Protective Equipment (PPE) was required to enter the buildings. PPE requirements included, but were not limited to:

- Hard hat
- Safety vest
- Closed-toe shoes/boots

Attendees without proper PPE were not permitted to enter the buildings.

The location of the pre-bid conference & site visit began at the Water & Environmental Research Institute Building and ended at the School of Health Annex. Attendees were asked to sign in. Damian explained that the meeting is being recorded and was called to order at 1:15 pm. After the introductions of everyone attending, he explained a few housekeeping notes:
