QUESTION & ANSWER SHEET NO.2

August 10, 2026

*In response to the written "Questions" and/or 'Request for Clarifications' UOG received as of August 04, 2026 @ 2:17 pm from vendor: **G4S SECURITY SYSTEMS (GUAM), INC.***

1. Can UOG please confirm whether the drawings provided via the OneDrive link represent the most up-to-date versions available, or if there are separate electrical and fire alarm as-built sheets that will be distributed?

UOG: These are the most up to date drawings available. At this time, we do not have a separate electrical or fire alarm as-builts. We can also provide the most recent annual fire alarm system inspection that has other information regarding the systems, if needed.
