Temporary, Part-Time Employee, up to 39 hours per week
Benefits: Social Security

The positions begin on **February 17, 2020** and ends on **October 14, 2020** based on availability of funds with possibility of extension should additional funds become available.

Location:

USDA Wildlife Services Office

Minimum Qualifications:

- High School Diploma or equivalent, Three (3) years of work experience
- OR 31-90 or fewer college credits; no work experience

Preferred Qualifications:

- Enthusiasm for science, nature, and the outdoors
- Experience with field data collection, data entry and proofing, and data summarization
- Experience with standard wildlife research techniques such as radio telemetry, infrared cameras, trapping, visual surveys, etc.
- Experience with capture and handling of small animals, particularly snakes and rodents

- General knowledge of the geography and habitats of Guam

Character of Duties:

- The Research Assistant will support a small team conducting applied research to reduce the negative impacts of invasive Brown Treesnakes on Guam and prevent their spread to other islands. Studies will include: evaluating reduction of Brown Treesnake abundance within an enclosure undergoing aerial toxic baiting; evaluating alternative aeriially-delivered baits; estimating predation threat from reduced Brown Treesnake populations; testing Brown Treesnake control tools in urban environments; and evaluating interactions of nontarget species with Brown Treesnake baits in the CNMI.
- Duties will include a high proportion of field work in any terrestrial habitat type in Guam and the CNMI. The Research Assistant should be able to hike moderate distances and work long hours under harsh tropical forest conditions and on rugged terrain.
- The general work schedule will be normal working hours Monday to Friday, though some study phases will require pre-scheduled work on evenings and weekends; flexibility is a must. Temporary assignments within the CNMI may be required.
- The Research Assistant must have a valid driver's license and be able to pass a background check and obtain access to U.S. military base facilities.
- The duty station will be the USDA Wildlife Services Guam State Office in Barrigada, Guam.

Additional Information:

Relocation: Travel and relocation expenses are authorized to establish residency on Guam. The successful applicant will receive the following allowances:

- Air fare to Guam, one-way
- \$600 budget for shipping of personal effects: reimbursement of receipts for baggage fees, postage, or parcel delivery services
- First two weeks of lodging: this may be a shared housing situation
- First two weeks of transportation: official vehicles will be restricted from inappropriate use such as establishments serving liquor
- Up to 20 hours paid time within the first two weeks to establish residence such as rent and apartment, purchase of a car and set up of utilities,
- etc.
- Air fare from Guam to point of origin, or other location of same or lesser expense, following successful completion of the term of hire.

Clearances

- Submission of completed job applications authorizes the Research Corporation of the University of Guam to seek and obtain information regarding the applicant's suitability for employment. All factors which are job related may be investigated (i.e., previous employment, educational credentials, and criminal records).
- All information obtained may be used to determine the applicant's eligibility for employment in accordance with equal employment opportunity guidelines. In addition, the applicant releases previous employers and job-related sources from legal liability for the information provided.
- Should an applicant be convicted of any crimes other than a minor traffic violation, all applicable information must be provided in the form of a police clearance report and court clearance
