Benefits:

Social Security

The positions will begin on **August 3, 2020** and ends on **August 2, 2021** based on availability of funds with possibility of extension should additional funds become available.

Location:

Water and Environmental Research Institute (WERI)

Minimum Qualifications:

- Current graduate student with a bachelor's degree in chemistry, mathematics, civil engineering, or other related fields;
- One (1) year of work experience relevant to the position OR combination of college credits, technical training, and/or substantial professional level work experience;

Senior college students who expect to graduate by December 2020 can apply.

Preferred Qualifications:

- Ability to operate chemical analysis instruments;
- Ability to carry field instruments (20 lbs.)

Character of Duties:

Water & Environmental Research Institute (WERI) of the Western Pacific is seeking a Graduate Research Assistant (RA) pursuing a MS degree in Graduate Environmental Science Program at the University of Guam. The research assistant hired under this announcement will work on the Guam Waterworks Authority (GWA) funded project, "Investigation of potential perfluoralkyl substances (PFAS) contamination sites in the vicinity of impacted GWA production wells."

Duties include:

- Conducting hydrogeological field survey, water/soil sampling, organic contaminant analysis with Liquid chromatography – mass spectrometry (LCMS);
- Study of PFAS degradation and migration pathways in relation to surface water and ground water flows;
- Work closely with the WERI water quality lab and the University of Rhode Island (URI) in regard to PFAS analysis;
- May visit URI several times to conduct the PFAS analysis during the project period;
- Responsibility to write technical report and MS thesis under the guidance of supervisor;
- Other duties as assigned.

Police and Court Clearance:

Pursuant to Public Law No. 28-24 and Executive Order 2005-34, applicants selected for a position are required to provide original police and court (Superior Court of Guam) clearances of no more than three (3) months old prior to commencement of employment. Off-island applicants must obtain clearances from their place of residence. Applicants are responsible for fees associated with obtaining the clearances.

Work Eligibility:

- Submission of completed job applications authorizes the Research Corporation of the University of Guam to seek and obtain information regarding the applicant's suitability for employment. All factors which are job related may be investigated (i.e., previous employment, educational credentials, and criminal records). All information obtained may be used to determine the applicant's eligibility for employment in accordance with equal employment opportunity guidelines. In addition, the applicant releases previous employers and job-related sources from legal liability for the information provided.
- Should an applicant be convicted of any crimes other than a minor traffic violation, all applicable information must be provided in the form of a police clearance report and court clearance report. Failure to admit any felony convictions may result in immediate disqualification or disciplinary action.
- Section 25103, Chapter 25, Title 10 of the Guam Code Annotated requires college or university employees to undergo a physical examination, to include a test for tuberculosis (skin or x-ray), prior to employment and at least annually thereafter. A report of such examination must be conducted by a licensed physician within a state or territory of the United States and must be submitted upon request.

UOG Station, Mangilao, Guam 96923
