Temporary, Part-Time, 20 hours per week during regular semesters and up to 39 hours per week during summer, intersession, and spring break.

Benefits:

Part-Time: Social Security

The position will begin on **May 23, 2022** and end on **April 14, 2023** based on availability of funds with extension likely should additional funds become available.

Location:

Guam National Wildlife Refuge, Ritidian Point, Yigo, Guam

Minimum Qualifications:

- Current UOG student with 60 or more credit hours and good academic standing;

- One (1) year of work experience;
- Must have a valid driver's license and reliable personal transportation;
- Must be able to pass background checks required for access to government computers and military facilities;

Minimum Knowledge, Abilities, and Skills:

- Interest in field work relating to invasive species;
- Ability to work effectively with as an individual and in groups;
- Ability to work outdoors for long periods, and at times on rough terrain;
- Proficiency in the use of Microsoft Word and Excel, and ability to learn new computer applications;
- Comfortable working with snakes, other reptiles, rodents, birds, and other animals;

Character of Duties:

Research Assistants hired under this announcement will be part of the Brown Treesnake Project under the direction of U.S. Geological Survey scientists. Members of the project conduct high-quality research on biology, control, and containment of the brown treesnake, with the eventual goal of restoring native species. Offices and labs are at the Guam National Wildlife Refuge, Ritidian Point, Yigo, Guam, and fieldwork is conducted primarily on northern Guam including on military lands, however, some fieldwork takes place in southern Guam and on Cocos Island. Project leaders are based at Guam National Wildlife Refuge and at the USGS Fort Collins Science Center.

Duties include:

- Conducting surveys for brown treesnakes and other species;
- Setting and checking traps and other control tools;
- Conducting capture, animal measurements, humane euthanasia, and necropsy of brown treesnakes and other species;
- Assisting with ecological experiments on various vertebrate species in the lab and in the field;
- Error-free data collection and data entry;
- Animal husbandry duties for reptiles, birds, rodents, and other animals;
- Maintenance of field sites, lab spaces, equipment, and experimental arenas;
- Participating in team meetings and other activities;
- Other duties as assigned;

Field conditions can be challenging, including extended periods of fieldwork in hot and humid conditions including continuing work during rainstorms; traveling over steep/rocky terrain while carrying equipment, exposure to biting/stinging insects, and handling snakes, rodents, and other animals that may bite. Safety is our highest priority and unsafe behaviors will not be tolerated.

Split shifts (such as work in morning, no work in the afternoon, then work at night), working the morning after working at night, and weekend work are common.

Police and Court Clearance:

Pursuant to Public Law No. 28-24 and Executive Order No. 2005-34, applicants selected for a position are required to provide original police and court (Superior Court of Guam) clearances of no more than three (3) months old prior to commencement of employment. Off-island applicants must obtain clearances from their place of residence. Applicants are responsible for fees associated with obtaining the clearances

Selected candidate must provide official transcripts prior to hire date.

Work Eligibility:

- Submission of completed job applications authorizes the Research Corporation of the University of Guam to seek and obtain information regarding the applicant's suitability for employment. All factors which are job related may be investigated (i.e., previous employment, educational credentials, and criminal records).
- All information obtained may be used to determine the applicant's eligibility for employment in accordance with equal employment opportunity guidelines. In addition, the applicant releases previous employers and job-related sources from legal liability for the information provided.
- Should an applicant be convicted of any crimes other than a minor traffic violation, all applicable information must be provided in the form of a police clearance report and court clearance report. Failure to admit any felony convictions may result in immediate disqualification or disciplinary action.
- Section 25103, Chapter 25, Title 10 of the Guam Code Annotated requires college or university employees to undergo a physical examination, to include a test for tuberculosis (skin or x-ray), prior to employment and at least annually thereafter. A report of such examination must be conducted by a licensed physician within a state or territory of the United States and must be submitted upon request.
- Federal law requires presentation of eligibility to work in the United States within seventy-two (72) hours of reporting for employment. Specifically, 8 USC 1324A requires the employer to verify the identity and eligibility to work in the United States of all newly hired employees. The Research Corporation of the University of Guam is required to comply with this law on a non-discriminatory basis. If you are hired to fill a position with the Research Corporation of the University of Guam, you will be required to present valid documents to comply with this law.

The Research Corporation of the University of Guam complies with Public Law 24-109 in reference to the provisions and requirements of the Americans with Disabilities Act. Assistance in EEO/ ADA matters and inquiries concerning the application of Title IX and its implementing regulations may be referred to the University's Director, EEO and Title IX/ ADA Coordinator, located at the EEO/ ADA and Title IX Office, Dorm II, Iya Hami Hall, Room 104, Telephone No. (671) 735-2244; TTY (671) 735-2243; or to the Office of Civil Rights (OCR).
