Salary

Grade N, Step 2, \$27.40 per hour
Temporary, Full-Time, 40 hours per week

Benefits:

Full-Time: Social Security, Medical and Dental Insurance, 4 hours annual leave and 4 hours sick leave per pay period, holiday pay, up to 3% 403(b) match based upon employee contribution of 3%.

Minimum Qualifications:

- Ph.D. in Systematics, Ecology, and/or Genetics/Genomics, or related field from a U.S. regionally accredited institution or foreign equivalent;

- Experience in invertebrate taxonomy;
- Marine field experience;

Preferred Knowledge, Skills and Abilities:

- Publication record in systematics and/or ecology of crustaceans with preference given to expertise in decapod crustaceans;
- Experience conducting marine biodiversity surveys;
- Science diver (AAUS) certification;
- Experience with specimen and sequence data and databases;
- Experience leading and coordinating teams in the field;
- Experience in curation;

Character of Duties:

- Conduct systematics and ecological research on Indo-West Pacific crustaceans to support E-RISE/GCBR research program;
- Identify crustaceans from diverse microhabitats at eight (8) E-RISE sites in Guam;
- Assist with curation of marine invertebrates with emphasis on crustacea;
- Conduct fieldwork, specimen processing, and identification of E-RISE/GCBR specimens-e.g., from live coral, rubble, macroalgae, and ARMS;
- Assist with or lead publications in crustacean systematics and ecology;
- Liaison with specialist taxonomist network to identify species;
- Assist in organizing bioblitzes and taxonomic workshops;
- Assist in management of University of Guam (UOG) Marine Laboratory (ML) Molecular Laboratory;
- Co-advise master's student in project to support E-RISE/GCBR research objectives;
- Assist in other project goals as needed;

Police and Court Clearance:

Pursuant to Public Law No. 28-24 and Executive Order No. 2005-34, applicants selected for a position are required to provide original police and court (Superior Court of Guam) clearances of no more than three (3) months old prior to commencement of employment. Off-island applicants must obtain clearances from their place of residence. Applicants are responsible for fees associated with obtaining the clearances.

Work Eligibility:

- Submission of completed job applications authorizes the Research Corporation of the University of Guam to seek and obtain information regarding the applicant's suitability for employment. All factors which are job related may be investigated (i.e., previous employment, educational credentials, and criminal records).
- All information obtained may be used to determine the applicant's eligibility for employment in accordance with equal employment opportunity guidelines. In addition, the applicant releases previous employers and job-related sources from legal liability for the information provided.

UOG Station, Mangilao, Guam 96923

Tel: (671) 735-0336/0249/50/51 Email: rcuoghr@triton.uog.edu

The Research Corporation of the University of Guam is an equal opportunity employer and provider.

- Should an applicant be convicted of any crimes other than a minor traffic violation, all applicable information must be provided in the form of a police clearance report and court clearance report. Failure to admit any felony convictions may result in immediate disqualification or disciplinary action.
- Section 25103, Chapter 25, Title 10 of the Guam Code Annotated requires college or university employees to undergo a physical examination, to include a test for tuberculosis (skin or x-ray), prior to employment and at least annually thereafter. A report of such examination must be conducted by a licensed physician within a state or territory of the United States and must be submitted upon request.
- Federal law requires presentation of eligibility to work in the United States within seventy-two (72) hours of reporting for employment. Specifically, 8 USC 1324A requires the employer to verify the identity and eligibility to work in the United States of all newly hired employees. The Research Corporation of the University of Guam is required to comply with this law on a non-discriminatory basis. If you are hired to fill a position with the Research Corporation of the University of Guam, you will be required to present valid documents to comply with this law.
- Upon selection of hire, you will be required to provide additional documents (if necessary) as condition of employment.

The Research Corporation of the University of Guam complies with Public Law 24-109 in reference to the provisions and requirements of the Americans with Disabilities Act. Assistance in EEO/ ADA matters and inquiries concerning the application of Title IX and its implementing regulations may be referred to the University's Director, EEO and Title IX/ ADA Coordinator, located at the EEO/ ADA and Title IX Office, Dorm II, Iya Hami Hall, Room 104, Telephone No. (671) 735-2244; TTY (671) 735-2243; or to the Office of Civil Rights (OCR).
