## ADMISSION REQUIREMENTS FOR THE BSW PROGRAM

There are two levels of social work majors: Pre-BSW and BSW. A pre-BSW student is any declared social work major who has not yet completed the requirements for advancement to the BSW student status. A BSW student is one who has met these requirements and has been formally admitted to the BSW Program.

To be eligible for the BSW junior level, applicants must:

- complete at least 45 credits of General Education requirements
- complete EN111 Writing for Research
- complete Mathematics General Education requirements
- complete SO101 Introduction to Sociology
- Complete PY101 General Psychology
- Complete BA110 Economics
- complete SW201 Social Welfare and Development: Global Challenges with a grade of "C" or better
- have a cumulative G.P.A. of 2.5 or higher
- submit a completed application form and related materials, including two letters of reference.

Application for advancement to BSW student status are made at the end of the Spring Semester for the students sophomore year. Upon receipt of all necessary documents, the social work faculty reviews the application. The division chair of the program notifies applicants by letter of the faculty's decisions regarding admissions. Students must be advanced to BSW student status in order to take SW330.

## PROGRESSION IN THE BSW PROGRAM

In order to remain in good standing in the BSW program, students must maintain a grade of C or better in all required social work courses and a minimum of 2.5 cumulative GPA.

## SOCIAL WORK MAJOR REQUIREMENTS

The BSW program rest on general educational foundation with a minim of 15 credit hours in the social sciences and economics; and 3 credit hours in mathematics/statistics. Required social science courses are PY101, SO101, and BA 110. Two elective upper division social science courses (300-level or above) may be drawn from the field of anthropology, economics, political science, psychology, sociology, women and gender studies, and Chamorro studies; or as approved by social work faculty advisor. The required mathematics/statistics course is MA151. **Note:** These courses may count toward general education requirements and toward the major in Chamorro studies.

The BSW program requires 50 credit hours of social work courses. They include 36 credit hours of required classroom courses (SW201, 313, 330, 331, 332, 333, 345, 350,351, 406, 408, 410), 8 credit hours of fieldwork (SW485a and SW485b) and 6 elective credit hours selected from SW344, 355, 400 (may be taken more than once), 480, 490, CM 340 and CM412.
