MEMORANDUM

TO: Robert F. Kennedy Library

FROM: [Jose J.P. Santos]

SUBJECT: [Type of Work: Journal Article/ Thesis/ Special Project/Capstone]

Transmitted herewith is an original copy of the above subject from:

Student's Name: Jose Santos

Title A THESIS SAMPLING FORMS USED IN CREATING A
MODEL FOR OTHER THESIS PROJECTS AT THE
UNIVERSITY OF GUAM

Number of Pages: 89 (including abstract)

I hereby grant permission to the University of Guam to furnish upon request copies in whole of the documents described above, in written or electronic format, as determined by the library.

I am aware that a graduate student of the University of Guam owns the copyright of his or her thesis or special project. However, as a condition of being awarded the degree, I grant the University the non-exclusive right to retain, copy, use and distribute the thesis or special project, together with the right to require its publication for archival use.

I am further aware that a graduate student may delay or restrict release of his or her Journal Article/ Thesis/ Special Project/Capstone or a portion thereof for up to two years in cases where part or all of the thesis/special/Capstone Projects/Journal Articles is being published elsewhere or the work is subject to patent disclosure requirements.

Hence, I authorize the University of Guam to handle the aforementioned documents, as per the options outlined below.

☐ I hereby grant permission for the University of Guam to release my work adhering to standard procedures.

I hereby request a delay in the release of my work, which will be withheld for a period of
☐ 12 -OR- ☐ 24 calendar months following the conferral of my degree.
