

TRITONS HELPING TRITONS

TYPHOON MAWAR RELIEF

Typhoon Mawar has left some in the UOG Community reeling without homes or with severely damaged shelter. Some are back on campus, working, while thinking of their situation at home. Collectively, we can lend a hand and show the Triton spirit of *inadahi* - the value of taking care of others. Starting Friday, June 2, we welcome new and unopened donations that will aid in their efforts to rebuild.
