

UNIVERSITY OF GUAM
UNIBETSEDÁT GUAHAN

Society of Emeritus Professors & Retired Scholars

TO: Dr. Helen J.D. Whippy, Acting President

FROM: Lawrence Kasperbauer, Chair, Society of Emeritus Professors and Retired Scholars

SUBJECT: The Society's Fourteenth Annual Report (2010)

Members of the Society of Emeritus Professors and Retired Scholars (SEPRS) have engaged in numerous academic, research, and service activities this past year. These professional endeavors demonstrate how emeritus faculty continue to help the University achieve its mission for our community, the region, and elsewhere throughout the world. Attached is our annual report listing the work of Society members.

Thank you for your continued support and attention.

Lawrence F. Kasperbauer, Chair
Society of Emeritus Professors and Retired Scholars

Prepared by Robert M. Sajnovsky, Recording Secretary (SEPRS)

B. TEACHING

CHARLES BIRKELAND

Zoology 410: Corals and Coral Reefs, 3 credits for the Department of Zoology, University of Hawaii at Manoa

Graduate student degree committees:

Chaired two PhD dissertation committees

Served as outside reviewer for dissertation of Armagan Sabetian of James Cook University, Australia, who received his PhD June 2010

Served on 13 PhD dissertation committees: Zoology [9], Geography [2], Botany [1], and Urban Planning [1]

Served on three MS A committees (Zoology)

Served on one MS B committee (Zoology)

Guest lectures:

2010 February 9 – talk to Zoology 200 Marine Biology – on corals and coral reefs

2010 April 20 – talk to Resource Management 795 – on critique of Gaia

2010 May 24-25 final talk at the Smithsonian Institution – symposium on Research and discoveries: the revolution of science through scuba

2010 August Donald Kobayashi asked for a talk on the procedures used by the Biological Review Team for the 82 species of coral petitioned for the Endangered Species Act

2010 September Rubinoff's Botany class on Conservation Issues

2010 October 22 Ecology Evolution and Conservation Biology Evolunch on "Positive feedback processes in the decline of coral populations"

HIRO KURASHINA

Served as one of the co-directors together with Dr. John Peterson (MARC Director), Dr. Mike Carson (MARC Archaeologist) and Dr. James Bayman (UH Manoa Archaeology Professor), to conduct the UOG/UH Summer Archaeology Field School in Ritidian in June, 2010.

Assisted AN262/AN462 taught by Dr. Mike Carson in the spring semester, 2010.

LOURDES P. KLITZKIE

Taught and provided consultation to five instructors of "Teaching English as a Second Language" at the University of Guam (Professional and International Programs) in

Curriculum Development on May 14, 2010.

HARLEY I. MANNER

Taught MI 695-1 in Spring and Fall 2010.

Chairman of thesis committee for Micronesia Studies Program graduate student, R. Yangerluo.

MILA MOGUEL

Taught Interior Design and Clothing Construction for Spring 2010; Textiles for Fall 2010, and Interior Design for Fall Intercession 2010.

RICHARD H. RANDALL

Advisor for two students at the University of Guam, Water and Environmental Research Institute of the Western Pacific (WERI).

DALJIT SINGH

Professor and Lead Mentor of International Business and Public Administration, Northcentral University, Prescott Valley, Arizona. 1998---to date.

1. Taught 10 courses graduate level courses in International Business and Management.
2. Dissertation Committee Chair: 21 Candidates
3. Dissertation Committee Member: 15 Candidates

RESEARCH AND PROFESSIONAL SCHOLARSHIP

CHARLES BIRKELAND

Science Research Advisor to the **Sanctuary Advisory Council** of the Fagatele Bay National Marine Sanctuary 2010

Member of Biological Review Team of the critical risk thresholds of 82 species of corals petitioned to the National Marine Fishery Service to add to the Endangered Species Act

Member, Fishery Local Action Strategy Hawaii (FLASH) Steering Committee (NOAA, State of Hawaii) 2010

Member, Student Admissions Committee for the Ecology, Evolution and Conservation Biology Program at the university of Hawaii

Member, SAFE (Scientist and Fisher Exchange) – topic roi and ciguatera

Contributing Editor to Marine Ecology Progress Series (MEPS). Managed the review of 30 manuscripts for MEPS in 2010. Also reviewed manuscripts for seven additional journals: Bulletin of Marine Science, Coral Reefs, Fish & Fisheries, Global Ecology and Biogeography, Journal of Experimental Marine Biology and Ecology, Journal of Marine Biology, and PLoS ONE.

Reviewed a draft of a textbook on Reef Biology for a book publisher.

Reviewed three grant proposals for Micronesian Conservation Trust (funded by the Packard Foundation).

PAUL CALLAGHAN

Chair, Scientific and Statistical Committee, Western Pacific Regional Fishery Management Council (The scientific advisory standing committee relative to management of fishery resources within the U.S. 200 mile exclusive economic zone), 1981 - Present.

Member & Acting Chair, Steering Committee of The Pacific Fishery Research Program, School of Ocean and Earth Science and Technology, University of Hawaii, (A committee responsible for the annual award and review of several million dollars in pelagic fishery research grants), 1992 - Present.

Member, Social Science Research committee, Western Pacific Regional Fishery Management Council (A committee responsible for planning and review of Council funded socioeconomic projects), 2002 - Present.

Participant, Pacific Islands Science Center Catch Share Workshop (To explore the potential roles, goals, limitations, and design characteristics for IFQs and other variations of catch-share-based management programs), Honolulu, Hawaii, March 9-12, 2010.

Member, Guam Delegation to The Western and Central Pacific Fisheries Commission, (28 Nation Treaty for Regulation and Conservation of Highly Migratory Fish Stocks in the Western and Central Pacific Ocean) Seventh Regular Session, Honolulu, Hawaii, 6-10 December 2010.

Member, Permanent Advisory Committee to the U.S. National Section to the Western and Central Pacific Fisheries Commission, Appointed for a two year term - June 1,

2008 to May 31, 2010 by the Under Secretary of Commerce. for Oceans and Atmosphere.

CLAYTON CARLSON

Collaborator:

Bergan Museum (Norway) re shelled Opisthobranch mollusca
U of Tuebingen (Germany) re Gastropteridae (Opisthobranch molluscs)

Reviewed papers re Sacoglossa (Opisthobranch molluscs)

Biological survey/collecting: PI-Batangas, Mindoro (May)
Kosrae (Dec)
Pohnpei (Dec)

World Congress of Malacology [poster presentation]
Phuket, Thailand, July. Chin Chin Too, Clayton H. Carlson, Patty Jo Hoff, Manuel A. Malaquias: Diversity and Systematics of Tropical West Pacific Shallow-Water Shell-Bearing Cephalaspidean Gastropods.

KENNETH L. CARRIVEAU

Guam & Micronesia Virtual Library bibliographer and database editor.

- i. Guam Code Annotated Database (in collaboration with Guam Compiler of Laws)
- ii. Congressional Record Database (in collaboration with the U.S.G.P.O.)
- iii. UOG Annual Report Database (in collaboration with integrated marketing)
- iv. SEPRS Annual Report Database (in collaboration with the Society)
- v. UOG Facts & Figures Database (in collaboration with Institutional Research office)
- vi. UOG Technical Report Database (in collaboration with WERI)
- vii. UOG Thesis Database (in collaboration with the RFK Memorial Library)
- viii. Church History Database (in collaboration with the Catholic Theological Institute)
- ix. Pacific Profile Database (in collaboration with Baylor University Library)
- x. Micronesia Database (in collaboration with the UOG Marine Lab)
- xi. Micronesian Educator

PATTY JO HOFF

Collaborator:

Bergan Museum (Norway) re shelled Opisthobranch mollusca

U of Tuebingen (Germany) re Gastropteridae (Opisthobranch molluscs)

Reviewed papers re Sacoglossa (Opisthobranch molluscs)

Biological survey/collecting: PI-Batangas, Mindoro (May)

Pohnpei (Dec)

World Congress of Malacology [poster presentation]

Phuket, Thailand, July. Chin Chin Too, Clayton H. Carlson, Patty Jo Hoff, Manuel A. Malaquias: Diversity and Systematics of Tropical West Pacific Shallow-Water Shell-Bearing Cephalaspidean Gastropods.

LOURDES P. KLITZKIE

Continued to gather data for the historical perspective of the University of Guam from 1952-1960. I interviewed former students from Ohio State University.

HIRO KURASHINA

Field Research Travel with Dr. Harya Putra of Udayana University to the Island of Sumba in Indonesia in May, 2010. The research findings pertaining to the megaliths of Sumba have been incorporated in the revised manuscript for Micronesica edited by Dr. Mike Carson.

Archaeological Field Research at Ritidian Point, Summer, 2010. Dr. James Bayman and Dr. Hiro Kurashina conducted the archaeological excavation of a latte site at Ritidian for the 3rd consecutive summer in June, 2010.

International Conference Paper & Participation

1) “The Last Voyage of Dr. Ron Crocombe”, prepared jointly by Dr. Hiro Kurashina, Dr. Rebecca A. Stephenson, and Dr. Yosi Sinoto (Bernice P. Bishop Museum) for the Festschrift Conference in Honor of Dr. Ron Crocombe organized by the Cook Islands Research Association in Rarotonga, Cook Islands. The paper was presented on our

behalf by Mr. Tangata Vainerere of the South Pacific Community, Rarotonga, Cook Islands in August, 2010.

2) “The FAWA History”, a PowerPoint presentation with Dr. Rebecca Stephenson, Dr. Hiro Kurashina and Dr. Zenaida Austria at the 50th Anniversary Conference of the FAWA held in Taipei, Taiwan in late September, 2010. The presentation was made on the Opening Day of the FAWA Conference.

STEPHEN G. NELSON

Continued association with the University of Arizona as a Senior Research Scientist in the Department of Soil, Water, and Environmental Science via collaborative, on-going research in the fields of halophyte physiology and aquaculture.

HARLEY I. MANNER

Romonum (Ulalu) Island, Chuuk, March 2010. Traditional agriculture and botany.
Yap and Ulithi Atoll, June 2010. Market Development of Traditional Agriculture.

Consultancies/Grants

Yap, Ulithi Atoll and Fais Island, FSM. Marketing Development of Traditional Agriculture. USDA 2009-2010. CSREES/NRI, Award No. 2009-35400-05098 (The Application of Innovative Marketing to Traditional Subsistence Agricultural Activities). Collaborator/Co-Principal Investigator with T. Ames and A. Ames. Bridge Grant funded by USDA CSREES, \$100,000 for 2009.

MILA MOGUEL

University - adviser of the UFSA, UOG which started 2010, Fall semester. Has taught one Filip[in]o folk dance which might be presented this year either at GCC or the Filipino Community of Guam induction ceremony.

RICHARD H. RANDALL

1. Completed a project thru the Univ. of Guam Water and Environmental Research Institute of the Western Pacific to conduct a field geology study of the Andersen Air Force Base North Ramp Borrow Pit, and conduct test borings and percolation tests

and other tests for Setiadi Architects LLC, Guam. See Publications 2 and 3 below (Budget \$53,000 with \$21,000 in Overhead to the University).

2. Completed a geologic field study for the Pago Bay Resort site. See Publication 4.

3. Started Part II of a project titled ‘Mitigation for the Ylig River Bridge Snail Project’ for Duenas & Camacho Associates, Agan Guam (Budget for Part II : \$16,000).

4. Conducted research on a collection of 2800 coral specimens at the National Taiwan University, Taipei that I collected there in 1974-75.

5. Continued work on ‘The Scleractinian Reef Corals of the Mariana Islands’- 370 + pages of text and over 1,000 Photos finished to date (expected completion in later 2011).

DALJIT SINGH

Chair: Panel on “Exploring Military Leadership Development Programs” American Society for Public Administration, Annual Conference 2010, San Jose, California , April 9-13, 2010.

REBECCA A. STEPHENSON

a) Guam Delegate, PPSEAWA—International [Pan-Pacific and Southeast Asia Women’s Association], Denpasar, Bali, Indonesia, May 18-22.

b) Speaker for Guam, “Shared Histories, Shared Sites,” with Marilyn Salas, for the Guam Preservation Trust. National Asian Pacific Islander American (APIA) Historic Preservation Forum, San Francisco, USA, June 25.

c) Guam Delegate, FAWA—International [Federation of Asia-Pacific Women’s Associations], Taipei, Taiwan, September 23-26.

d) Paper Contributor, “The Last Voyage of Dr. Ron Crocombe,” with Hiro Kurashina. Conference in Honor of Dr. Ron Crocombe, Cook Islands Research Association, Rarotonga, Cook Islands. Paper presented by Mr. Tangata Vainerere, Regional Secretariat, The Pacific Community, Rarotonga, August 13.

e) PowerPoint Presentation, “The History of FAWA,” with Zenaida Austria and Hiro Kurashina, 50th Anniversary Conference of FAWA, Taipei, Taiwan. Sept. 23.

ROY T TSUDA

Funded for fifth and final year (September 2009 to October 2010) by the National Oceanic and Atmospheric Administration (NOAA), Pacific Islands Fisheries Science

Center's Coral Reef Ecosystem Division to sort and study algal specimens collected from U.S. Pacific Islands. \$300,000 (5 years, September 2005 to October 2010).

Reappointed as an "Associate in Science" by the Bishop Museum for another three years (July 1, 2010 to June 30, 2013).

SALLY Y. TSUDA

Developed a draft of APNLC Policies & Procedures and presented document at the 32nd American Pacific Nursing Leaders Council's conference held in Koror, Palau June 14-18, 2010.

Presented paper at the Okinawa Prefectural College of Nursing's conference, "Development of Advanced Nursing Specialists in Islands Nursing", October 2010 in Naha, Okinawa. The paper was titled, "Developing Nurse Leaders in Pacific Islands."

RANDALL WORKMAN

Editorial Volunteer, English Translation Group. *International Dictionary of Buddhist Art*. Fo Guang Shan Publishing, Taipei, Taiwan.

SERVICE TO THE PROFESSION, UNIVERSITY AND COMMUNITY

A. PROFESSIONAL AND UNIVERSITY SERVICE

PAUL CALLAGHAN

Active member, Society of Emeritus Professors & Retired Scholars, University of Guam.

KENNETH L. CARRIVEAU

Co-Project Director of Guam & Micronesia Virtual Library Project

Treasurer., Society of Emeritus Professors & Retired Scholars, University of Guam.
UOG Foundation contributor.

PATTY JO HOFF

Chair of the University of Guam, Regent's Nominating Council.
Active member, Society of Emeritus Professors & Retired Scholars, University of Guam.

LARRY F. KASPERBAUER

Sias International University, Zhengzhou, Henan Province, PRC, Foundation Board of Directors, Member
Guam Commission of Educator Certification (GCEC), Member & Treasurer
UOG May and December Commence Programs, SPERS Marshall
UOG, SPERS Scholarship Supporter,
Chair, Society of Emeritus Professors & Retired Scholars, University of Guam.

LOURDES P. KLITZKIE

Active member, Society of Emeritus Professors & Retired Scholars, University of Guam. Secretary for Society of Emeritus Professors and Retired Scholars, March 2009-2010.

HIRO KURASHINA

Co-Chair, MARC Advisory Group with Dr. Lorraine Yamashita.
Donation to recognize an outstanding student enrolled in the UOG-UH Summer Archaeology Field School at Ritidian, Guam in June, 2010.
Donation to the MARC Scholarship Fund in March, 2010.

Host for Lunch in honor of Kiyoshi Maruyama, ABD, from Japan on January 14, 2010
UOG SEPRS

Host for Lunch in honor of representatives from Hitachi and ARCGEO on April 15, 2010.

Host for Lunch in honor of representatives from ARCGEO on August 23, 2010.

Active member, Society of Emeritus Professors & Retired Scholars, University of Guam.

WILFRED P. LEON GUERRERO

Continued to serve as a Board Member of the UOG Endowment Fund.

Active member, Society of Emeritus Professors & Retired Scholars, University of Guam.

HARLEY I. MANNER

Guest teaching appearances in Micronesian Studies

Reviewer for Permanent Agricultural Resources (<http://agroforestry.net>)

STEPHEN G. NELSON

Served as reviewer for the Journals “Aquaculture” and “Aquatic Botany”.

Served as pre-submission reviewer for several manuscripts for the USGS office at the University of Arizona.

Served as mentor to visiting researcher from Saudi Arabia and to several graduate students.

Served on the graduate committees of three graduate students

RICHARD H. RANDALL

Lectured to Dr. John Peterson’s archaeology class.

ROBERT M. SAJNOVSKY

Donated personal funds the UOG Endowment Foundation.

Initiated a policy for UOG's administration to recognize retiring professors for the Society of Emeritus Professors and Retired Scholars of the University of Guam, The policy is still pending.

Also developed a policy for the efficient processing of applications for emeritus status at the University of Guam.

Representative of the SEPRS on the UOG Commencement Committee.

Secretary, Society of Emeritus Professors and Retired Scholars for the University of Guam, March 2010 to present.

DALJIT SINGH

Professional service

1. Delta Mu Delta. Member, Business Honor Society. Judge, Scholarship Board.
2. Member, National Committee on Affirmative Action. American Society for Public Administration (ASPA) 2009-2010.
3. Member, National Committee on International Scholar Award Program, American Society for Public Administration (ASPA 2009-2010).

Service to the University

1. Member, The Board of Directors, California State University at Fullerton Alumni Association, 2006--to date.

REBECCA A. STEPHENSON

Outside Ph.D. Committee Member for Takae Shibasaki, College of Education, Northcentral University, Prescott Valley, AZ, USA. Topic: *Elderly Palauans' Retention and Continued Use of the Japanese Language since the End of WW II*. In Fall 2010, she successfully defended her dissertation, and her Ph.D. was awarded. President, AAUW [American Association of University Women] --Guam Branch (2010-2012)

Secretary, Executive Board, FAWA [Federation of Asia-Pacific Women's Associations, headquartered in Manila, Philippines] (2010-2012)

Invited Panelist, National Geographic Society, for the Destination Stewardship Survey 2010.

Rebecca A. Stephenson Award in CLASS, via the Office of the Dean of CLASS, UOG, and the UOG Endowment Foundation.

Committee Chair, Scholarship in Nursing and Health Sciences, presented to the UOG Endowment Foundation/Nursing and Health Sciences Program at UOG, from the

Guam Council of Women's Clubs (GCWC), April 6.
Committee Chair, Chi Omicron Gamma, SEPRS

ROY T TSUDA

Served as a Volunteer resource personnel to University classes visiting *Herbarium Pacificum* and answered local, national and international inquiries and correspondence about the Bishop Museum's holdings of 78,500 algal specimens.

Served as an anonymous Reviewer for proposal seeking 2010-11 funding from the Hawaii Coral Reef Initiative Program.

CHIH WANG

Assisting in the arrangement of two public library directors from China visiting Atlanta-Fulton Public Library, Atlanta, Georgia in July 14 – 19, 2009. The program was managed by the Chinese American Librarians Association (CALA), a division of the American Library Association, and supported by a U.S. Department of Education IMLS grant. A total of 10 Chinese library directors were invited to visit U.S. libraries.

RANDALL WORKMAN

Organized community lectures. Venerable Miao Guang; *The Active Buddhist Today: Humanistic Buddhism and Contemporary Social Issues*, January 26, 2010; University of Guam, HSS Building, Third floor Dean's Professional Development Room, *Living with Shame and Stigma: Buddhism's Support for Persons Living with HIV/AIDS*, January 27, 2010; GUAHAN Project (a community NGO service provider), and *Buddhist Views on Environmental Responsibility*, January 29, 2010; University of Guam Marine Laboratory Bldg Lecture Room 205.

LORRAINE C. YAMASHITA

Active member, Society of Emeritus Professors & Retired Scholars, University of Guam.

B. SERVICE TO THE COMMUNITY AND REGION

TED CRITCHFIELD

Served as a flight crew member with the Civil Air Patrol (CAP). I completed the CAP senior Inspector General training course in San Diego; graduated from the CAP National Staff College at Maxwell AFB, Alabama; served as a member of the KY wing's Critical Incident Stress Management Team; qualified to participate in CAP's

counter drug activity; took part in our most recent Air Force guided multi-state search and rescue exercise.

KENNETH L. CARRIVEAU

Adjunct Newman Center Chaplin (UOG and GCC)

LARRY F. KASPERBAUER

- a. Rotary Club of Guam, Member 39 Years, Past President
- b. Guam Elderly Nutrition Program Advisory Board, Member & Vice President
- c. Santa Barbara Parish Finance Committee, Member
- d. Andersen Air Force Base Environmental Cleanup Advisory Committee, Member
- e. Guam Military Buildup Sub-Committee on Education, Member
- f. Gugagon/NCS Family and Neighborhood Association, Member and Advisor
- g. Agana Beach Condo Home Owners Association, Member & President
- h. Advise Past President Visayas and Mindanao Association amending Constitution and By-Laws
- i. Guam Adventist Academy, Meeting Management Training (Parliamentary Procedure)

LOURDES P. KLITZKIE

I was a panelist at the Walk October----10,000 Steps Mini Conference at the Pacific Islands Club Hotel on October 1,2010. My topic was on Physical Fitness and Health and the Benefits of Exercise. The Conference was sponsored by the Governor's Council on Physical Fitness.

Committee member for the School of Education (SOE) Spring Convocation 2010

Advisor for the School of Education (SOE) Alumni Association.

Provided consultation to five instructors of "Teaching English as a Second Language" at the University of Guam (Professional and International Programs) in Curriculum

Development on May 14, 2010.

HIRO KURASHINA

STEPHEN G. NELSON

Not related to science, but Involved in several non-profit music groups: 1) trumpet (and recent president) in Sonora Winds, a wind ensemble headed by Dr. Snively of the Tucson Symphony; 2) lead trumpet and Board Member of the Rhythm Gang, a musical organization supporting the performance of primarily American Music of the first half of the 20th Century; and 3) cornet in the Old Arizona Brass Band, established to provide a living representation of the military and civilian bands that performed throughout Arizona during the period 1872 to 1912.

ROBERT M. SAJNOVSKY

1. Along with my wife, Dr. Cynthia Sajnovsky, continued 15th year of co-hosting, “Airing the Arts”, a weekly 30 minute program for KPRG, Guam’s Public Radio Station. We interview local artists and discuss current arts events in which they are engaged; and I prepare a weekly calendar of current arts events happening on Guam which is aired several times weekly and is also published on the KPRG website.

2. Continued volunteer work as a Coast Guard Auxiliarist by serving the Guam Flotilla as Flotilla Operations Officer and Navigational Systems Officer. Duties include: 1. as Operations Officer: organizing boats and crew for Group Guam search

and rescue exercises, regatta, safety and training patrols, and preparing calendar of on-water patrols for distribution to interested parties; 2. as Navigational Systems Officer: routinely observing the state of Aids to Navigation around Guam and reporting deteriorating, obscured or missing buoys and other navigation marks to appropriate Coast Guard personnel. In addition, I was active in the following activities for the C.G. Auxiliary:

a. Member Training: Taught a 12 lesson Search and Rescue Course to members of the Coast Guard Auxiliary and Coast Guard Active Duty; Also taught a Weather for the Mainer Course to members of the Coast Guard Auxiliary.

b. Public Affairs: Appeared on KGUM radio’s, Afternoon Show, promoting safe boating practices - May 21. Participated in NSBW Proclamation signing by deploying an inflatable life jacket in Governor’s office at Adelup – May 21.

c. Training: Attended a five-day Aids to Navigation School in Yorktown VA in June, to qualify as a Coast Guard “Aids Verifier”. Attended a five-day Team Leader/Facilitator Course in Scottsdale AZ in August, to prepare for qualification as an Operational Risk Management Instructor for the Coast Guard.
